

## REPRESENTATIVE JEAN SCHMIDT

Dear Friend:

I have fought many political battles during my years of public service. I welcome the rough and tumble of politics, and this campaign is proving to be no different.

My proud record and accomplishments have been under attack for months...The lies and distortions put forth by local and national Democrats are unending...

My opponent, Vic Wulsin, is going to the extreme in saying anything to win...And the national Democrats, along with the rich, ultra-liberal special interest groups are spending unprecedented millions of dollars here in Ohio to take me down.

That is why I critically need you to rush a special contribution of \$25, \$35, \$50, \$100, or even \$500 to help me fight back and win!

More than most Ohioans, you know that Vic Wulsin is not the person our state or our nation needs in the U.S. House.

Simply put, she just doesn't share our common values, from the freedoms afforded by a low-tax smaller government, to respect for human life.

Wulsin's contempt for the culture of life has even led her to participate in grotesque medical experiments. Wulsin was paid for her work in medical "studies" where victims of AIDS in Africa and China were, without their consent, injected with the malaria virus, all in the name of "scientific inquiry."

Quite frankly, this is one of the most despicable examples of utter contempt for our fellow man that I've ever heard of. And it has made me more determined than ever that Vic Wulsin is not fit to serve in Congress and that I must do everything in my power to ensure that she never gets the chance.

That's one of the many reasons why I'm counting on you as a long time friend and supporter to help provide the critical dollars I need to respond to Wulsin's incessant attacks and help me wage the type of honest campaign the people of this district deserve.

Your immediate check or credit card contribution of \$25, \$35, \$50, \$100, or even \$500 will help bring us victory in two ways:

1. By sending a contribution today you'll help fund the costly and crucial TV and radio ads that get the facts out and show Ohio voters the sharp differences between Vic Wulsin and me; and

PAID FOR BY SCHMIDT FOR CONGRESS

*Not paid for at taxpayer's expense*

2. With this race sure to go down to the wire, your contribution will help us maximize Republican and Independent voter turnout in targeted areas.

**My biggest worry right now is getting overpowered by out-of-state Democrat and radical, liberal special interest money and organizations during this campaign. It's impossible to know when – and how hard – I'll be hit next.**

Without question, the Liberals are energized and united.

But as Vic Wulsin continues to run a campaign of protest and pessimism, and supports the bankrupt policies liberals have embraced for decades, she proves **over and over** again that she has nothing new to bring to the U.S. House.

And as hard as Vic Wulsin works to disguise her lacking record in national security and defense issues, we must be ever vigilant, and get the truth out to our voters.

With this election likely to be so tight, we can't take any chances that Vic Wulsin's campaign will prove successful in fooling the voters. We desperately need to finance the highly expensive media campaign and get-out-the-vote efforts that will bring us victory.

Remember, this election is extremely important. The urgently-needed contribution you send today could be the tipping point. That is why I urge you to send as much as you can. Hopefully you can send \$250. If not, please send at least \$25, \$35, \$50, or even \$500!

Early money and organization are critical to our success. All of the tremendous progress you and I have made in making our nation, state and Party stronger is on the line.

I'm committed to fight for every vote right up to when the voters cast their ballots. Please act today to give me the dollars I need to win!

Thank you again for being such a key part of our victory team.

Sincerely,

Jean Schmidt

P.S. Vic Wulsin and her ultra-liberal allies will launch a non-stop attack blitz and I must be able to fight back. Please use the enclosed envelope to return a contribution of \$25, \$35, \$50, \$100, or even \$500 to help me buy the costly TV and radio ads I need to get the truth out to the voters and build the crucial “on the ground” grassroots operation I need to ensure victory in November!
